

## Hot Sale 2L 60W Mechanical Control SUS304 Benchtop Ultrasonic Washer 40kHz Ultrasonic Bath Cleaner

Our Product Introduction

for more products please visit us on [skymenultrasonic.com](http://skymenultrasonic.com)

### Basic Information

- Place of Origin: China
- Brand Name: SkyMen
- Certification: CE
- Model Number: JP-010
- Minimum Order Quantity: 1 piece
- Price: Negotiation
- Packaging Details: Wooden Case
- Delivery Time: In Stock
- Payment Terms: T/T,
- Supply Ability: 500 pieces per month

### Product Specification

- Power: 60W
- Voltage: 110V/220V
- Welding Area: Depend
- Usage: Ultrasonic Benchtop Machine
- Weight: N.W.2.2KG G.W.2.5KG
- Frequency: 40KHZ
- Tank Size: 150\*135\*100mm
- After-sales Service Provided: Video Technical Support
- Warranty: 1 Year
- Application: Ultrasonic Clean, Emulsify, Mixing, Extraction, disperse
- For Suitable Materials: Pp, Plastics, PP PVC PE ABS Etc
- Product Name: 2L 60W Mechanical Benchtop Ultrasonic Cleaner For Electrical Industry
- Type: Self-Automatic

## Product Description

Hot Sale 2L 60W Mechanical Control SUS304 Benchtop Ultrasonic Washer 40kHz Ultrasonic Bath cleaner

### Specification:

Model: JP-010/JP-020/JP-030/JP-031/JP-040/JP-060/JP-080/JP-100

Tank Capacity: 2L/3.2L/4.5L/6.5L/10L/15L/22L/30L

Ultrasonic Frequency: 40,000 Hz

Time Setting: 0 - 30 minutes

Temperature Setting: Normal-80 degrees Celsius

Tank Material: Stainless Steel SUS304

- Power Supply: AC 220 ~ 240V, 50 Hz or 110V ~ 130V 60HZ

- Plug type: EU/UK Plug/USA plug or as your request

### Package Included:

1x Ultrasonic Cleaner tank

1x Power cord

1x Clean Basket

1x Manual

1x hose for drainage

Hot Sale 2L 60W Mechanical Control SUS304 Benchtop Ultrasonic Washer 40kHz Ultrasonic Bath Cleaner

### Suggested applications:

1. Scientific lab: Eyeglass Frames, Lab Glassware, Optical & Contact Lenses, Pipettes, Test Tubes
2. Electronics Manufacturing: Capacitors, Ceramic Substrates, PC Boards, Packaging Components, SMDs
3. Medical & Dental Labs: Burs, Blood Oxygenators, Cannulae, Dental Instruments, Syringe Parts
4. Jewelry Manufacturing: Chains, Charms, Coins, Intricate Settings, Precious Metals & Gemstones
5. In Auto Industry: Carburetor, Castings, Fuel Injectors, Machined Parts, Stamped Parts, Switches

### Additional:

Payment Term: T/T, L/C, Paypal, Western Union

Bulk Order MOQ: 50pcs, mix batch is available

Delivery Time: Immediate

Shipping port: Shenzhen

Customer logo is welcome.

Distributors are welcome.

### About Company:

Here are the Skyman company. You can know more about us with the details.

## FAQ

### What autoparts can be cleaned?

cylinder heads, cylinder blocks, crankshafts, camshafts, carburetors, con-rods, pistons, turbocharger components, diesel injectors, DPF filters, brake system components, gearbox and transmission components, radiators etc.

### How does the ultrasonic cleaner play a role in the auto parts industry?

In the automotive industry, ultrasonic cleaners use industrial strength cleaning action to:

Clean carbon deposits from carburetors and engine parts

Removes stubborn oil, grease, lubricants, paint, rust, and dirt

Safely clean any aluminum parts

Penetrate and thoroughly clean small holes, small apertures, and crevices

Clean sensitive parts including wiring and plastic without damage

### How do I choose frequency for my autoparts?

Ultrasonic cleaning machines use the working frequency of 28 kHz (with a  $\pm 2\%$  sweep system) for autoparts. This has been determined as the most effective for cleaning components within the sectors described above, as it achieves the best cleaning without damaging any soft materials like aluminum, magnesium, brass etc. For cleaning requirements not specified above, we may occasionally recommend an alternative frequency, or where the quality requirements of the client are very particular and 40 kHz (sweep system  $\pm 2\%$ )

### How about after sales services?

12 months warranty for SKYMEN ultrasonic cleaner. Any technical problem during warranty time, free replacement parts will be sent to your door. And technical support is also available after 1 year.
