by

JP-160T

Thousands of golfers prove that ultrasonic cleaner preserves the life of golf clubs and they play better golf with clean club heads and grips. Ultrasonic technology works perfect when cleaning as the solution reaches all parts of club head and grips far quicker and more effectively than any other cleaning method. You'll never clean clubs any other way once you've cleaned golf clubs using Skyman ultrasonic golf club cleaner and discovered how quick, easy and effective the cleaner is.

COMPARISON

► Traditional cleaning

Put clubs in the tank/bath, immersible for several minutes with detergent, clean club/grips/balls one by one with soft brush to avoid damage the surface.

► Ultrasonic cleaning

Put a full set of golf clubs in ultrasonic tank with suitable detergent, all will be cleaned within 2minutes.

SPECIFICATION

Model:	JP-160T

FAQ

Q: What's the advantage of Skymen ultrasonic cleaner?

A: Skymen ultrasonic cleaner is the best way to have thorough cleaning without damaging objects. It helps to remove stubborn dirt and dust from the watch, eyeglasses, jewelry, etc, make them look new once again. It's very safe and easy to operate, proves to be the best helping hand for you at home.

Q: How often should I change the cleaning fluid in my tank?

A: Changed whenever it becomes visibly too contaminated, or when the cleaning process is not as effective.

Q: Why do I need to use a basket?

A: Basket would help to load objects together, and get a better cleaning effect.

Q: Can ultrasonic cleaning damage parts?

A: Although the effect of thousands of implosions per second is very powerful, the cleaning process is safe. No damage to your daily objects.

Q: What about the warranty?

A: 1 Year warranty for Skymen ultrasonic cleaner. If any technical problem during warranty time, replacement parts will be sent free of charge. And technical support is also available after 1 year.
