

80liter Sky men Ultrasonic Cleaner Stainless Steel Material With Adjustable Heater

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen
- Brand Name: Sky men
- Certification: CE/RoHS/ISO9001
- Model Number: JP-120GS
- Minimum Order Quantity: 1
- Price: usd 780-870/pcs
- Packaging Details: Wooden Case
- Delivery Time: 5days
- Supply Ability: 3000 PCS per month

Product Specification

- Frequency: 40Hz
- Material: Stainless Steel SUS304/SUS316
- Tank Capacity: 38L
- Timer: 1-99hours
- Heater: Room Temp~80°C Adjustable
- Ultrasonic Power: 600W
- Highlight: 80liter sky men ultrasonic cleaner, Adjustable Heater sky men ultrasonic cleaner, 600W Stainless Steel ultrasonic cleaner

Product Description

Skymer ultrasonic cleaner single tank 38Liter machine with filter and lifting system

Description of Ultrasonic Cleaner

Ultrasonic cleaning is a modern, safe, efficient, most economy and fastest way for effectively removing of contaminants and tenacious deposits from objects with complex geometry. The ultrasonic cleaning benefits consist of a deep cleaning of the objects and the elimination of the risk of injury or infection with manual cleaning.

The ultrasonic cleaner is a microprocessor-controlled device that uses ultrasonic or high frequency sound waves to clean jewelry and other delicate items. Ultrasonic cleaning is based on the cavitation effect caused by high frequency ultrasonic wave vibration signals in fluid. Microscopic bubbles that expand and rapidly collapse cause cavitation, which creates an effective cleaning action on the surface of object being cleaned. Additionally, the bubbles are small enough to penetrate even microscopic crevices, cleaning them thoroughly and consistently.

Function	Ultrasonic Cleaning + filter system
Ultrasonic Frequency	40KHz
Tank Material	SUS304
Tank Capacity	38 Liter
Tank Size (LxWxH)	500*300*250mm
Transducer	12pcs
Time setting	1-99 hours adjustable
Temperature setting	Room temp to 95°C adjustable
Power Supply	AC220v,50Hz
Heating Power	3000W
Ultrasonic Power	1200W
Water inlet/outlet	Yes
Quantity	1 set
Lead time	5 working days
EXW price	870USD

Picture of the machine:

Advantages of Ultrasonic Cleaner

Brand new, great ratio, good looking
 Materials of connector and cable comply with UL and RoHS standard
 Quality 100% assured, accurate measurement and fast response
 Superior flexibility and durability, Aluminum foils shielding
 Technology process: cutting, welding, molding, assembly and testing
 Easy to clean and repair
 OEM/ODM available, customizable and drawings are accepted
 Full wave sweeping frequency for high cleaning efficiency
 Clean Transparent dentures, brace
 Upgraded circuit for strong power
 Touch switch and 3 mins auto matic shut off.
 Detachable

Cleaning effect:

CLEANING EFFECT

Better cleaning when cleaning with detergent

For our company:

Skyrmen Group has carried out various business activities in an orderly manner and achieved excellent business performance, which has been fully recognized by relevant departments at all levels and from all walks of life. Base, ISO quality management system certificate, SGS certificate, GIC certificate, CE certificate, BSCI certificate, ROHS certificate, FCC certificate, PSE certificate, Reach certificate, SCCP certificate, PAHS certificate, design patent certificate, utility patent certificate and other countries. More than 50 honorary qualifications and a number of R&D projects awarded by the provincial level have been supported by the Provincial Department of Science and Technology, which promotes enterprises to continuously enhance their sense of political responsibility to achieve common prosperity, establish a global vision, seize new opportunities for global development, and increase international competition.
