

Stainless Steel 28khz Ultrasonic Washing Machine For Aircrafts Parts

Our Product Introduction

for more products please visit us on skymenultrasonic.com

Basic Information

- Place of Origin: China
- Brand Name: SkyMen
- Certification: CE/ROHS/FC/ISO/BSCI
- Model Number: JP-2072H
- Minimum Order Quantity: 1
- Price: 5000
- Packaging Details: wooden box
- Delivery Time: 10 working days
- Payment Terms: T/T
- Supply Ability: 500 sets/month

Product Specification

- Tank Material: SUS304
- Each Tank Size: 1000*600*600mm
- Clean Heating Power: 9000W
- Tank Capacity: 360L
- Ultrasonic Power: 3600W
- Dry Tank Heating Power: 4500W
- Working Time: 1-99 Hours
- Highlight: Aircrafts Parts Ultrasonic Washing Machine, Ultrasonic Washing Machine 360L, 28khz Industrial Ultrasonic Bath

Product Description

Composition of this machine:

1st tank: Ultrasonic cleaning + hot water + filtration cycle system

2nd tank: Hot air drying tank

Ultrasonic Cleaner's Function:

1. Removes small particulate and adhering contamination from parts where entrapment areas limit or restrict access through mechanical means;
2. Ultrasonic parts cleaners remove dirt, oils, lubricants, carbon, and other types of grime that build up on engines and mechanical parts. Grooves, internal passageways, seals, and other hard to reach areas are cleaned easily, eliminating hours of disassembling and reassembling complex parts. Carburetors, pistons, cylinder heads, aluminum parts, and brake calipers are a few examples of components that are cleaned thoroughly with no manual scrubbing in an ultrasonic cleaner;
3. The cleanliness of your products and components directly affects the safety of your crew —ultrasonic cleaning technology contributes to your efforts to maximise the safety and reliability of aerospace components while achieving optimal cleanliness standards.

4. Ultrasonic Cleaner's Model and Specification

| Model | JP-2024GH | JP-2036GH | JP-2072GH |
|-----------------------------|--|-------------|--------------|
| Clean tank size | 550*400*350 | 600*500*450 | 1000*600*600 |
| Dry tank size | 550*400*350 | 600*500*450 | 1000*600*600 |
| Tank capacity | 77L each | 135L each | 360L each |
| Transducers | 24 | 36 | 72 |
| Clean tank Ultrasonic power | 1200W | 2400W | 3600W |
| Dry tank Ultrasonic power | 0 | 0 | 0 |
| Clean tank Heating power | 3000W | 4500W | 9000W |
| Dry tank Heating power | 2600W | 3000W | 4500W |
| Ultrasonic frequency | 28KHZ/40KHZ | | |
| Tank material | 304/316SUS | | |
| Tank thickness | 2MM | | |
| Timer | 1S-99hours adjustable/Normally open | | |
| Heater | 20-95°C adjustable | | |
| Drain valve | 1 inch | | |
| Basket & Lid | standard equipped | | |
| Machine Voltage | AC 220V/380V, 3phases | | |
| Generator voltage | AC 110V/220V, 1phase | | |
| Features | 1.with filtration system 2.with casters with brake 3.1 year warranty & tech support for life | | |

INDUSTRIAL ULTRASONIC CLEANER SERIES

Automotive

Marine

Aero

Metal Parts

Electronic

What functions can we make?

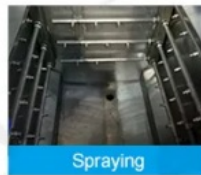

Support OEM/ODM and customized

PLC

Cooling

Spraying

Bubble

Agitation

Drying

Drum cleaning

Filtration

DOUBLE TANK

INDUSTRIAL ULTRASONIC CLEANER

MULTIPURPOSE CLEANING

It's used in various industries from automotive to electronics to medical facilities for a number of applications.

Skymen Ultrasonic

Skymen ultrasonic , which is a leading manufacturer and national high-tech enterprise, was founded in 2007. We have been focusing on R&D of ultrasonic equipment & cleaning solution for more than 13 years.

There are more than 120 patents & certificates in total. Our products range covers household ultrasonic cleaner, benchtop ultrasonic cleaner, industrial ultrasonic cleaner, customized ultrasonic cleaner etc

Products include CE, FCC, PSE, KC and other safety certification, as well as ROHS, PAHS, REACH, SCCP environmental certification, and passed the ISO9001 and ISO13485 quality management system.

Basic information:

Established in 2007 in Shenzhen ,China

Registered capital: 12 million

Plant size :20.000 M2

Sales office size: 1.500 M2

Number of staff: 200-300

Annual sales volume: 25 million US dollars

ISO International Standard: ISO9001 and ISO13485 quality management system.
