Basic Information

- Place of Origin: China
- Brand Name: Skymen
- Certification: CE FC PSE ISO REACH ROHS PAHS
- Model Number: JP-2072GH
- Minimum Order Quantity: 1
- Price: \$5900
- Packaging Details: WOODEN BOX
- Delivery Time: 10-25 days
- Payment Terms: EXW
- Supply Ability: 5000pcs/month

Product Specification

- Product Name: Industrial Ultrasonic Cleaner
- Capacity: 720L
- Power: 3600W
- Warranty: 1 Year
- Tank Size: 1000*600*600MMmm
- Cleaning Basket: Yes
- Temperature: 1-90 Degree
- Timer: 1-99 Hours
- Highlight: **Industrial Ultrasonic Washer 720L,
Convenient Drainage Industrial Ultrasonic
Washer
, 720L Industrial Ultrasonic Cleaner**

Product Description

Product Description:

Industrial Ultrasonic Cleaner - Advanced Ultrasonic Cleaning System

This advanced cleaning system is an industrial ultrasonic washer that provides multiple features such as heating, timer, frequency, and drainage. This cleaner is especially designed for industrial applications, making it perfect for businesses that need to clean and sterilize their items quickly and efficiently. The heating feature of this cleaner allows for faster and easier cleaning, while its timer and frequency settings can be adjusted to meet the needs of the user. Furthermore, this Industrial Ultrasonic Cleaner comes with a drainage system that allows for easier and faster cleaning.

The Industrial Ultrasonic Cleaner is designed to be energy-efficient, making it a great choice for businesses that want to reduce their energy costs. This cleaner can be used for a variety of cleaning tasks, including automotive parts, medical equipment, jewelry, and more. This cleaner is also designed to be durable and reliable, so it can withstand heavy usage and still maintain its performance.

This Industrial Ultrasonic Cleaner is easy to use and maintain, making it perfect for businesses that don't have the time or resources to invest in a more complex cleaning system. This cleaner also features a unique heating element that ensures uniform heating for faster, more efficient cleaning. With its powerful frequency and timer settings, this cleaner can be tailored to meet the needs of any user.

The Industrial Ultrasonic Cleaner is the perfect solution for businesses that need fast and efficient cleaning with minimal effort. This advanced cleaning system is designed for industrial applications and offers a variety of features such as heating, timer, frequency, and drainage that make cleaning easier and faster. With its energy-efficient design, this cleaner is perfect for businesses that are looking to reduce their energy costs while still maintaining a high level of cleanliness.

Product Name: Industrial Ultrasonic Cleaner

Cleaning Basket: Yes

Certification: CE FC PSE ROHS ISO

Power: 3600W

Tank Size: 1000*600*600MMmm

Ultrasonic Parts Cleaning Machine: Yes

Industrial Grade Ultrasonic Cleaner: Yes

Industrial Sonic Cleaning Device: Yes

Technical Parameters:

Attribute	Value
High Power Ultrasonic Cleaner	Yes
Industrial Ultrasonic Washer	Yes
Industrial Grade Ultrasonic Cleaner	Yes
Capacity	720L
Tank Material	SUS 304/316
Certification	CE FC PSE ROHS ISO
Temperature	1-90 Degree
Tank Size	1000*600*600MM
Timer	1-99 Hours
Heating	Yes
Cleaning Mode	Water & Detergent
Drainage	Yes
Power	3600W

Applications:

Sky men Industrial Ultrasonic Cleaner JP-2072GH is an advanced ultrasonic cleaning equipment certified by CE FC PSE ISO REACH ROHS PAHS. It offers an ideal solution for large-scale industrial cleaning applications. This cleaner is equipped with a SUS 304/316 tank with a capacity of 720L, and comes with a heating function. It is highly reliable and durable, and comes with a 1-year warranty.

Sky men Industrial Ultrasonic Cleaner is designed to provide powerful, effective and efficient cleaning of a wide variety of industrial parts, components and materials. It is easy to operate, and can clean delicate items such as jewelry, eyeglasses and watches without causing any damage. It is also great for cleaning heavily soiled items such as engine parts and industrial components.

Sky men Industrial Ultrasonic Cleaner is widely used in many industries, such as automotive, aerospace, medical, electronics, food processing, printing, and many more. It is perfect for industries that require thorough and precise cleaning of large components. It is the ideal choice for high-precision cleaning jobs, as it removes dirt, oil, grease and other contaminants quickly and easily.

Skymen Industrial Ultrasonic Cleaner is available with a minimum order quantity of 1, and comes with a competitive price of \$5900. It is delivered within 10-25 days. With a monthly supply ability of 5000pcs, you can be sure to get your order in time. It is securely packaged in a wooden box for safe transport.

Skymen Industrial Ultrasonic Cleaner JP-2072GH is an essential cleaning tool for industries that require an efficient and powerful cleaning solution. It is the perfect choice for industrial cleaning applications, as it is reliable, durable and easy to operate.
