Basic Information

- Place of Origin: China
- Brand Name: Skymen
- Certification: CE FC PSE ISO REACH ROHS PAHS
- Model Number: JP-2072GH
- Minimum Order Quantity: 1
- Price: 5900
- Packaging Details: WOODEN BOX
- Delivery Time: 10-25 days
- Payment Terms: EXW
- Supply Ability: 5000pcs/month

Product Specification

- Capacity: 720L
- Product Name: Industrial Ultrasonic Cleaner
- Frequency: 28/40KHZ
- Timer: 1-99 Hours
- Warranty: 1 Year
- Cleaning Basket: Yes
- Power: 3600W
- Highlight: 90 Degree Industrial Ultrasonic Cleaner,
Industrial Ultrasonic Cleaner with Drainage,
720L Ultrasonic Cleaner

Product Description

Product Description:

The Industrial Ultrasonic Cleaner is an ideal choice for large scale industrial cleaning. It offers an industrial cleaning ultrasonic system with a capacity of 720L, a frequency of 28/40KHZ and a power of 3600W. This model also features a drainage system, making it convenient and efficient to use. It is perfect for heavy duty cleaning purposes, such as industrial parts, tools, and electronic components. With a price of 5900, this large scale ultrasonic cleaner is an excellent investment for an industrial ultrasonic washer.

Features:

Product Name: Industrial Ultrasonic Cleaner
Advanced Ultrasonic Cleaning System
Industrial Ultrasonic Washer
Tank Size: 1000*600*600MMmm
Timer: 1-99 Hours
Certification: CE FC PSE ROHS ISO
Frequency: 28/40KHZ
Price: 5900

Technical Parameters:

Parameter	Value
Product Name	Heavy Duty Ultrasonic Cleaner
Frequency	28/40KHZ
Drainage	Yes
Cleaning Mode	Water & Detergent
Timer	1-99 Hours
Tank Material	SUS 304/316
Price	5900
Capacity	720L
Power	3600W
Certification	CE FC PSE ROHS ISO

Applications:

Industrial Ultrasonic Cleaner - Skymen JP-2072GH

Skymen JP-2072GH Industrial Ultrasonic Cleaner is a heavy-duty cleaning system that provides superior cleaning performance for industrial applications. It features advanced ultrasonic cleaning technology, adjustable temperature from 1-90 degree, adjustable timer from 1-99 hours, and drainage system. Certified by CE FC PSE ROHS ISO, the ultrasonic cleaner is available at a price of \$5900 for a minimum order quantity of 1.

The Skymen JP-2072GH Industrial Ultrasonic Cleaner offers the highest quality of cleaning performance for industrial applications, such as automotive, aerospace, electronics, medical, and more. It is capable of removing stubborn dirt, grease, oil, rust, and other contaminants quickly and effectively. The ultrasonic cleaner is also equipped with a powerful drainage system to ensure easy cleaning and maintenance.

The Skymen JP-2072GH Industrial Ultrasonic Cleaner is easy to use and comes with a wooden box packaging for convenient transportation. With a supply capacity of up to 5,000 units per month, it can be delivered within 10-25 days after order placement.

Skymen JP-2072GH Industrial Ultrasonic Cleaner is your best choice for any industrial cleaning needs. It provides the perfect solution for cleaning delicate and hard-to-reach parts, as well as for removing tough dirt, rust, and other contaminants quickly and effectively.

Support and Services:

We also offer training services to ensure that you and your staff are properly trained to use the product.

We take pride in the quality of our products and services and strive to provide the best customer service and technical support possible. If

you have any questions or concerns, please do not hesitate to contact us. We look forward to helping you get the most out of your Industrial Ultrasonic Cleaner.

Packing and Shipping:

Packaging and Shipping of Industrial Ultrasonic Cleaner

Industrial ultrasonic cleaners are packaged and shipped in well-crafted containers to ensure they arrive undamaged. The container should be designed to match the size and shape of the item being shipped and should include any additional packaging material necessary for the safe shipment of the item. The container should also include a label that clearly identifies the contents.

When shipping industrial ultrasonic cleaners, it is important to ensure that they are adequately and properly insured so that any damage or loss is covered. It is also important to choose a reliable shipping service that can provide tracking information and delivery confirmation, as well as offer insurance coverage.
