

28/40KHZ High Power Ultrasonic Cleaner SUS 304/316 Tank For Industrial Applications

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Skymen
- Certification: CE FC PSE ROHS ISO
- Model Number: JP-2072GH
- Minimum Order Quantity: 1
- Price: \$5900
- Packaging Details: WOODEN BOX
- Delivery Time: 10-25 days
- Payment Terms: EXW
- Supply Ability: 5000pcs/month

Product Specification

- Heating: Yes
- Power: 3600W
- Temperature: 1-90 Degree
- Timer: 1-99 Hours
- Capacity: 720L
- Frequency: 28/40KHZ
- Tank Material: SUS 304/316
- Highlight: **40KHZ High Power Ultrasonic Cleaner, High Power Ultrasonic Cleaner for Industrial, SUS 304 Tank Industrial Ultrasonic Cleaning Equipment**

Product Description

Product Description:

The Industrial Ultrasonic Cleaner is a powerful cleaning solution that uses high-frequency sound waves to remove dirt, dust, and other debris from various surfaces. It is designed with a tank made of SUS 304/316 material for superior durability and provides superior performance with a high power output. The cleaner also features a heating function to ensure thorough cleaning, and it comes with a 1-year warranty for added peace of mind. This high power ultrasonic cleaner operates at 28/40KHZ frequency, making it ideal for industrial and commercial applications. With excellent cleaning capabilities, the Industrial Ultrasonic Cleaner is the perfect solution for all your cleaning needs.

Features:

Heavy Duty Ultrasonic Cleaner

Industrial Ultrasonic Washer

Ultrasonic Cleaning Equipment

Power: 3600W

Timer: 1-99 Hours

Heating: Yes

Cleaning Mode: Water & Detergent

Frequency: 28/40KHZ

Technical Parameters:

Parameters	Details
Product Name	Industrial Ultrasonic Cleaner
Cleaning Mode	Water & Detergent
Timer	1-99 Hours
Temperature	1-90 Degree
Price	5900
Capacity	720L
Warranty	1 Year
Tank Material	SUS 304/316
Power	3600W
Cleaning Basket	Yes

Applications:

Sky men Industrial Ultrasonic Cleaner (JP-2072GH) is a advanced ultrasonic cleaning system with industrial grade construction. It features a powerful 28/40KHZ frequency and 1-99 hour timer, and a large tank capacity of 720L. It is made of high quality materials and is certificated by CE FC PSE ISO REACH ROHS PAHS, making it a reliable and safe cleaning solution for industrial use.

This industrial ultrasonic cleaning machine offers a great value for money, with a minimum order quantity of 1, and a price of \$5900. It is packed securely in a wooden box and can be delivered within 10-25 days. It comes with a 1 year warranty and a supply ability of 5000pcs/month.

The Sky men Industrial Ultrasonic Cleaner is perfect for industrial cleaning applications, ideal for cleaning of complex items such as circuit boards, automotive parts, watch parts, and medical equipment. It is easy to operate and can be used in many different industries, from automotive to medical and manufacturing.

For a reliable and efficient industrial cleaning solution, consider the Sky men Industrial Ultrasonic Cleaner. It offers superior cleaning performance and a large tank size of 1000*600*600MM, making it the perfect choice for industrial cleaning applications.

Support and Services:

Industrial Ultrasonic Cleaner Technical Support and Service

We provide comprehensive technical support and service for our industrial ultrasonic cleaners. Our experienced team of engineers and technicians are available to help with installation, maintenance, and troubleshooting. We also provide a range of spare parts and accessories to ensure your system is running optimally.

We offer on-site maintenance services and technical advice to ensure that your system is running efficiently and safely. Our team of experts can also provide repair and replacement services for any damaged or defective components. In addition, our technical staff can provide training to ensure that your staff is fully trained in the use and maintenance of the system.

We are committed to providing world-class customer service and technical support. If you have any questions or concerns, please don't hesitate to contact us. Our team is always available to answer any questions or provide assistance.

Packing and Shipping:

Packaging and Shipping of Industrial Ultrasonic Cleaner

Industrial Ultrasonic Cleaners must be adequately packaged and shipped to protect them during transit. It is important to ensure that the cleaning system is securely packaged to avoid any damage or loss. The following are the steps for packaging and shipping an industrial ultrasonic cleaner:

The industrial ultrasonic cleaner must be checked and tested to ensure that it is in good working order and free from any defects.

The ultrasonic cleaner should be packaged in a sturdy box or container. It is important to include padding inside the container to protect the equipment from shock and vibration.

The box or container should be clearly labeled with the product name and shipping address.

The box or container should be sealed with strong adhesive tape, preferably waterproof tape.

The package should be shipped with a reliable carrier who can provide tracking information and delivery confirmation.

FAQ:

Industrial Ultrasonic Cleaner

Brand Name: Skymen

Model Number: JP-2072GH

Q&A

Q: Where is this industrial ultrasonic cleaner made? **A:** This industrial ultrasonic cleaner is made in China.

Q: What certifications does this industrial ultrasonic cleaner have? **A:** This industrial ultrasonic cleaner has CE FC PSE ISO REACH ROHS PAHS certifications.

Q: What is the minimum order quantity? **A:** The minimum order quantity is 1.

Q: How much does this industrial ultrasonic cleaner cost? **A:** This industrial ultrasonic cleaner costs \$5900.

Q: How is this industrial ultrasonic cleaner packaged? **A:** This industrial ultrasonic cleaner is packaged in a wooden box.
