Basic Information

- Place of Origin: China
- Brand Name: SkyMen
- Certification: CE FC PSE ROHS ISO
- Model Number: JP-2072GH JP-720G,JP-480G,JP-600G
- Minimum Order Quantity: 1
- Price: \$5900
- Packaging Details: WOODEN BOX
- Delivery Time: 10-25 days
- Payment Terms: EXW
- Supply Ability: 5000pcs/month

Product Specification

- Capacity: 360L,264L,175L
- Power: 3600W,2400W,3000W,
- Warranty: 1 Year
- Cleaning Mode: Water & Detergent
- Heating: Yes
- Drainage: Yes
- Cleaning Basket: Yes
- Highlight: **360L Industrial Ultrasonic Cleaner, Detergent Cleaning Industrial Ultrasonic Cleaner**

Product Description

Product Description:

The Industrial Ultrasonic Cleaner is a powerful and heavy-duty cleaning equipment that provides efficient cleaning in industrial settings. It comes in three different sizes, 360L, 264L and 175L, and can be used to clean a wide variety of items. The tank is made of SUS 304/316, and the temperature can be adjusted from 1 to 90 degrees. The drainage system ensures a thorough and safe cleaning process. Moreover, this Ultrasonic Cleaning Equipment is highly affordable, with the price of only 1. Industrial Ultrasonic Washer is the perfect choice for any heavy duty cleaning task, and the superior quality of the Heavy Duty Ultrasonic Cleaner guarantees the best results in the shortest period of time.

Applications:

Industrial Ultrasonic Cleaners from Skymen are advanced ultrasonic cleaning systems designed to provide an efficient and effective way to clean components and parts. The industrial ultrasonic washers use high frequency sound waves to agitate a cleaning solution and remove dirt and contaminants from parts and components. Ideal for industries such as automotive production, aerospace, medical, and manufacturing, these ultrasonic parts cleaning machines offer a fast, reliable cleaning solution. Skymen's industrial ultrasonic cleaners come in a variety of models including JP-2072GH, JP-720G, JP-480G, JP-600G, all of which are certified with CE FC PSE ROHS ISO. With minimum order quantity of 1 and price of \$5900 per unit, these Skymen industrial ultrasonic cleaners come in a WOODEN BOX and can be delivered within 10-25 days. The supply ability is up to 5000pcs/month. The tank material is SUS 304/316 with capacity of 360L, 264L, 175L and tank size of 1000*600*600MMmm. The timer setting range from 1-99 Hours.
