Customizable Industrial Ultrasonic Cleaning Machine With SUS 304 Basket / 1-99 Hour Timer

Our Product Introduction

for more products please visit us on skymenultrasonic.com

Basic Information

- Place of Origin: China
- Brand Name: Skymen
- Certification: CE FC PSE ROHS ISO
- Model Number: JP-720G
- Minimum Order Quantity: 1
- Price: \$5900
- Packaging Details: WOODEN BOX
- Delivery Time: 10-25 days
- Payment Terms: EXW
- Supply Ability: 5000pcs/month

Product Specification

- Ultrasonic Power: 3600W
- External Generator: 2 Units
- Timer: 1-99 Hours
- Temperature: 1-90 Degree
- Heating: Yes
- Drainage: Yes
- Tank Size: 1000*600*600mm
- Highlight: Customizable Industrial Ultrasonic Cleaning Machine
, SUS 304 Basket Industrial Ultrasonic Cleaning Machine
, Ultrasonic Cleaning Machine With Timer

Product Description

Product Description:

Industrial Ultrasonic Cleaner

The Industrial Ultrasonic Cleaner is a cutting-edge cleaning device designed for large scale industrial use. With its high frequency ultrasonic vibration and powerful cleaning performance, it is the perfect solution for removing tough stains, dirt, and contaminants from a wide range of industrial equipment and components.

Key Features:

Industrial Cleaning Ultrasonic System: This ultrasonic cleaner is specifically designed for industrial use, making it suitable for heavy-duty cleaning tasks in various industries such as automotive, aerospace, and manufacturing.

Large Scale Ultrasonic Cleaner: With a tank size of 1000*600*600mm, this ultrasonic cleaner is ideal for cleaning large and bulky industrial equipment and components.

Industrial Sonic Cleaning Device: The ultrasonic vibration generated by this device produces powerful shock waves that create microscopic bubbles in the cleaning solution, effectively removing even the toughest dirt and contaminants from surfaces.

High Frequency Ultrasonic Vibration: The Industrial Ultrasonic Cleaner offers a frequency of 28/40KHZ, allowing for a thorough and efficient cleaning process.

Powerful Cleaning Performance: The combination of high frequency ultrasonic vibration and large capacity tank allows for superior and consistent cleaning results, saving time and effort.

Large Capacity Tank: The JP-720G tank can hold a large volume of cleaning solution, making it suitable for cleaning multiple industrial components at once.

Energy Saving Heating System: The cleaner is equipped with a 9000W heating system, which not only helps to speed up the cleaning process but also saves energy, reducing operating costs.

Technical Specifications:

Frequency: 28/40KHZ optional

Capacity: JP-720G

Heating Power: 9000W

Ultrasonic Power: 3600W

Tank Size: 1000*600*600mm

Conclusion:

The Industrial Ultrasonic Cleaner is a reliable and efficient cleaning system that is specifically designed for industrial use. With its high frequency ultrasonic vibration, large capacity tank, and energy saving heating system, it provides powerful and consistent cleaning performance, making it an essential tool for maintaining the cleanliness and functionality of industrial equipment and components.

Features:

Product Name: Industrial Ultrasonic Cleaner

Timer: 1-99 Hours

Drainage: Yes

Cleaning Mode: Water & Detergent

Temperature: 1-90 Degree

External generator: 2 Units

Advanced Ultrasonic Cleaning System

Industrial Ultrasonic Washer

Heavy Duty Ultrasonic Cleaner

Technical Parameters:

Product Name	Industrial Ultrasonic Cleaner
Tank Material	SUS 304/316
Timer	1-99 Hours
Heating Power	9000W
Cleaning Basket	SUS 304
Cleaning Mode	Water & Detergent
Tank Size	1000*600*600mm
Capacity	JP-720G

Temperature	1-90 Degree
Drainage	Yes
Heating	Yes
Key Features	
Industrial Sonic Cleaning Device	
Large Scale Ultrasonic Cleaner	

Applications:

Industrial Ultrasonic Cleaner - Skymen JP-720G

The Skymen JP-720G is an industrial grade ultrasonic cleaner designed for heavy duty cleaning in various industries. It is a powerful and advanced ultrasonic cleaning system that can effectively clean and remove dirt, grime, and contaminants from a wide range of equipment and parts.

Brand Name: Skymen
Model Number: JP-720G
Place of Origin: China
Certification: CE FC PSE ISO REACH ROHS PAHS
Minimum Order Quantity: 1
Price: \$5900
Packaging Details: WOODEN BOX
Delivery Time: 10-25 days
Payment Terms: EXW
Supply Ability: 5000pcs/month
Tank Size: 1000*600*600mm
Timer: 1-99 Hours
Ultrasonic Power: 3600W
Drainage: Yes
Cleaning Basket: SUS 304

The Skymen JP-720G is perfect for use in industrial settings such as factories, workshops, and manufacturing plants. It can handle large and heavy equipment, as well as small and delicate parts with equal efficiency.

With a tank size of 1000*600*600mm, this industrial ultrasonic cleaner is capable of cleaning a wide range of items, from large machinery parts to small electronic components.

The timer function allows for precise cleaning times, ranging from 1 to 99 hours, making it suitable for various cleaning needs. The ultrasonic power of 3600W ensures thorough and efficient cleaning, even in hard-to-reach areas.

The drainage feature allows for easy and convenient removal of dirty water, while the cleaning basket made of SUS 304 ensures that the items being cleaned are protected from damage.

Investing in the Skymen JP-720G industrial ultrasonic cleaner means investing in a reliable and high-quality cleaning solution for your business. With its advanced features and industrial grade performance, it is a valuable addition to any industrial setting.

Customization:

Industrial Ultrasonic Cleaner - Skymen JP-720G

Brand Name: Skymen
Model Number: JP-720G
Place of Origin: China
Certification: CE, FC, PSE, ROHS, ISO
Minimum Order Quantity: 1
Price: \$5900
Packaging Details: Wooden Box
Delivery Time: 10-25 days
Payment Terms: EXW
Supply Ability: 5000pcs/month
Frequency: 28/40KHZ Optional
Drainage: Yes
Heating Power: 9000W
Ultrasonic Power: 3600W

Advanced Ultrasonic Cleaning System

The Skymen JP-720G industrial ultrasonic cleaner features an advanced cleaning system that utilizes ultrasonic waves to effectively remove dirt, grime, and contaminants from various surfaces. This system is designed to provide thorough and efficient cleaning, making it ideal for industrial use.

Heavy Duty Ultrasonic Cleaner

With a maximum ultrasonic power of 3600W, the Skymen JP-720G is a heavy duty ultrasonic cleaner that can handle tough cleaning jobs. Its high power and frequency options make it suitable for cleaning a wide range of industrial equipment and components.

Industrial Ultrasonic Washer

The Skymen JP-720G is designed as an industrial ultrasonic washer, capable of cleaning large and heavy items. Its durable construction and powerful cleaning action make it an essential tool for maintaining cleanliness and efficiency in industrial settings.

Customized Service

At Skymen, we understand that every industrial cleaning need is unique. That's why we offer customized services for our ultrasonic cleaner, including frequency options, drainage capabilities, and heating power. Our goal is to provide a tailored solution that meets your specific cleaning requirements.

Packing and Shipping:

Packaging and Shipping

Industrial Ultrasonic Cleaner is packaged in a strong and durable wooden case to ensure safe transportation and delivery. The case is lined with foam and bubble wrap to provide extra protection against any potential damage during transit. Inside the case, the ultrasonic cleaner is further secured with foam inserts to prevent any movement or impact. The accessories and user manual are also included in the package, neatly packed and sealed to ensure they reach the customer in perfect condition. For shipping, we use reliable and reputable courier services to ensure prompt and safe delivery. The product is carefully handled and packaged to avoid any damage during the shipping process. Customers can also request for customized packaging and shipping options, such as using their own preferred courier service or adding additional packaging materials for extra protection. With our careful packaging and reliable shipping, customers can be assured that their Industrial Ultrasonic Cleaner will arrive at their doorstep in excellent condition, ready to be put to use.

FAQ:

- Q: What is the brand name of this product?
A: The brand name of this product is Skymen.
- Q: What is the model number of this product?
A: The model number of this product is JP-720G.
- Q: Where is this product made?
A: This product is made in China.
- Q: What certifications does this product have?
A: This product has CE, FC, PSE, ISO, REACH, ROHS, and PAHS certifications.
- Q: What is the minimum order quantity for this product?
A: The minimum order quantity for this product is 1.
- Q: What is the price of this product?
A: The price of this product is \$5900.
- Q: How is this product packaged?
A: This product is packaged in a wooden box.
- Q: How long does it take for this product to be delivered?
A: The delivery time for this product is 10-25 days.
- Q: What are the accepted payment terms for this product?
A: The accepted payment terms for this product is EXW.
- Q: What is the supply ability for this product?
A: The supply ability for this product is 5000pcs/month.
