Basic Information

- Place of Origin: China
- Brand Name: Skymen
- Certification: CE FC PSE ROHS ISO
- Model Number: JP-720G
- Minimum Order Quantity: 1
- Price: \$5900
- Packaging Details: WOODEN BOX
- Delivery Time: 10-25 days
- Payment Terms: EXW
- Supply Ability: 5000pcs/month

Product Specification

- Cleaning Mode: Water & Detergent
- Cleaning Basket: SUS 304
- Tank Size: 1000*600*600mm
- Heating: Yes
- Heating Power: 9000W
- Tank Material: SUS 304/316
- Timer: 1-99 Hours
- Highlight: **SUS 304 Basket Industrial Ultrasonic Cleaner, Fast Cleaning Industrial Ultrasonic Cleaner, heavy duty Industrial Ultrasonic washer**

Product Description

Product Description:

Industrial Ultrasonic Cleaner

The Industrial Ultrasonic Cleaner is a heavy duty cleaning machine designed for industrial use. With its powerful ultrasonic technology, it provides efficient and thorough cleaning for a variety of industrial equipment and components.

Product Overview

The Industrial Ultrasonic Cleaner features a cleaning basket made of SUS 304 stainless steel, ensuring durability and resistance to corrosive chemicals. The cleaning basket provides a convenient and safe way to hold and clean various objects, preventing them from getting damaged during the cleaning process.

This product is certified by CE, FC, PSE, ROHS and ISO, guaranteeing its quality and safety standards. It has undergone rigorous testing and meets all necessary requirements for industrial use.

The timer function allows for customizable cleaning cycles, ranging from 1 to 99 hours. This gives users the flexibility to adjust the cleaning time according to their specific needs, ensuring optimal cleaning results.

The tank size of the Industrial Ultrasonic Cleaner is 1000*600*600mm, providing ample space for cleaning larger objects or multiple items at once. This saves time and increases efficiency in the cleaning process.

The frequency of the ultrasonic waves can be adjusted to either 28 or 40KHZ, depending on the type of objects being cleaned. This optional feature allows for a more precise and effective cleaning process for different materials and surfaces.

Key Features

Industrial Ultrasonic Washer

Heavy Duty Ultrasonic Cleaner

Industrial Ultrasonic Cleaning Machine

SUS 304 Stainless Steel Cleaning Basket

Certified by CE, FC, PSE, ROHS and ISO

1-99 Hour Timer Function

28/40KHZ Frequency Optional

Features:

Product Name: Industrial Ultrasonic Cleaner

Heating: Yes

Ultrasonic Power: 3600W

Cleaning Basket: SUS 304

Heating power: 9000W

Capacity: JP-720G

Ultrasonic Parts Cleaning Machine

Ultrasonic Cleaning Equipment

Heavy Duty Ultrasonic Cleaner

Technical Parameters:

Product name	Industrial Ultrasonic Cleaner
Model	JP-720G
Temperature	1-90 Degree
Capacity	JP-720G
Cleaning Basket	SUS 304
Cleaning Mode	Water & Detergent
External generator	2 Units
Drainage	Yes
Heating	Yes
Frequency	28/40KHZ Optional
Certification	CE FC PSE ROHS ISO
Timer	1-99 Hours
Product type	High Power Ultrasonic Cleaner
Application	Ultrasonic Parts Cleaning Machine, Industrial Sonic Cleaning Device

Applications:

Industrial Ultrasonic Cleaner - Skymen JP-720G

Efficient and Effective Cleaning for Various Industrial Applications

The Skymen JP-720G is an industrial grade ultrasonic cleaner that offers a versatile cleaning solution for a wide range of applications. This advanced ultrasonic cleaning system is designed to provide powerful and professional cleaning results, making it an essential tool for any industrial setting.

High Quality Materials for Superior Performance

Skymen is a trusted brand known for its commitment to quality and innovation. The JP-720G is made with high quality materials such as SUS 304/316, ensuring its durability and reliability in the long run. This industrial grade ultrasonic cleaner is built to withstand heavy use and deliver consistent performance every time.

Powerful Cleaning Performance

The JP-720G boasts a tank size of 1000*600*600mm and a heating power of 9000W, making it capable of handling large and tough cleaning tasks. With its advanced ultrasonic cleaning technology, this machine can effectively remove dirt, grime, and contaminants from various objects, leaving them spotless and thoroughly cleaned.

Professional Results with Ease

The Skymen JP-720G is designed for easy operation and maintenance, making it suitable for both professional and non-professional users. Its customizable options allow for specific adjustments according to your cleaning needs, ensuring efficient and effective results every time.

Cost-Effective and Eco-Friendly Solution

The JP-720G is not only efficient and effective, but also a cost-effective solution for industrial cleaning. Its eco-friendly design and operation make it a sustainable choice for businesses looking to reduce their environmental impact. With this industrial grade ultrasonic cleaner, you can achieve superior cleaning results while also being environmentally responsible.

Safe and Reliable Operation

Safety is a top priority when it comes to industrial equipment. The Skymen JP-720G is designed with safety features to ensure safe and reliable operation. It is certified with CE, FC, PSE, ISO, REACH, ROHS, and PAHS, giving you peace of mind and confidence in using this powerful cleaning machine.

Order Your Skymen JP-720G Today

The Skymen JP-720G is an essential tool for any industrial setting. With a minimum order quantity of 1 and a price of \$5900, this industrial grade ultrasonic cleaner is a valuable investment for your business. It comes packaged in a wooden box for secure transport and has a delivery time of 10-25 days. Don't miss out on this efficient and effective cleaning solution - order your Skymen JP-720G today! Price: \$5900

Choose Skymen for your industrial ultrasonic cleaning needs, and experience the power and efficiency of our customized JP-720G model. Contact us now to place your order.

Packing and Shipping:

Packaging and Shipping

Industrial Ultrasonic Cleaner is carefully packaged to ensure safe delivery to our customers. The cleaner is first placed in a sturdy cardboard box and then wrapped in protective foam to prevent any damage during transit. The box is sealed with high-quality tape to secure the contents inside.

For international shipping, the cleaner is placed in a wooden crate for added protection during long-distance transportation. The crate is also reinforced with additional padding to prevent any potential damage.

Our company works with trusted shipping partners to ensure timely and efficient delivery of our products. We offer a variety of shipping options, including air, sea, and land transportation, to meet the specific needs of our customers.

Customers can also choose to add insurance to their shipment for added peace of mind. We take great care in packaging and shipping our Industrial Ultrasonic Cleaner, but in the rare case of any damage during transit, our insurance policy ensures that our customers are fully covered.

Upon receiving the cleaner, customers should carefully inspect the packaging for any signs of damage. If any damage is found, we encourage customers to contact us immediately so we can resolve the issue.

At Industrial Ultrasonic Cleaner, we are committed to providing high-quality products and ensuring safe and efficient delivery to our customers.

FAQ:

Q: What is the brand name of this product?

A: The brand name is Skymen.

Q: What is the model number of this product?

A: The model number is JP-720G.

Q: Where is this product manufactured?

A: This product is manufactured in China.

Q: What certifications does this product have?

A: This product is certified with CE, FC, PSE, ISO, REACH, ROHS, and PAHS.

Q: What is the minimum order quantity for this product?

A: The minimum order quantity is 1.

Q: How much does this product cost?

A: The price for this product is \$5900.

Q: How is this product packaged?

A: This product is packaged in a wooden box.

Q: How long does it take to receive this product after ordering?

A: The delivery time for this product is 10-25 days.

Q: What are the payment terms for this product?

A: The payment terms for this product are EXW (Ex Works).

Q: What is the supply ability for this product?

A: The supply ability for this product is 5000pcs/month.
