#### Basic Information

- Place of Origin: China
- Brand Name: Skymen
- Certification: CE FC PSE ROHS ISO
- Model Number: JP-1108G
- Minimum Order Quantity: 1
- Price: \$5900
- Packaging Details: WOODEN BOX
- Delivery Time: 10-25 days
- Payment Terms: EXW
- Supply Ability: 5000pcs/month

#### Product Specification

- Heating Power: 18000W
- Tank Material: SUS 304/316
- Drainage: Yes
- Cleaning Basket: SUS 304
- Timer: 1-99 Hours
- Frequency: 28/40KHZ Optional
- Temperature: 1-90 Degree
- Highlight: **Drainage Industrial Ultrasonic Washer, High Efficiency Industrial Ultrasonic Washer**

## Product Description

### Product Description:

#### Industrial Ultrasonic Cleaner

The Industrial Ultrasonic Cleaner is a powerful and efficient cleaning tool that is designed for large scale and heavy duty cleaning tasks. With its strong cleaning power, it is able to remove dust, rust, and other stubborn contaminants from various industrial parts and equipment.

This product is made with high quality materials, specifically SUS 304 or 316 stainless steel, ensuring durability and longevity. The tank material is resistant to corrosion and can withstand high temperatures, making it suitable for various industrial environments.

The Industrial Ultrasonic Cleaner comes with a timer feature that allows for precise and customizable cleaning cycles, ranging from 1 to 99 hours. This allows users to adjust the cleaning time according to their specific needs, making it a versatile tool for various cleaning tasks.

The capacity of this ultrasonic cleaner is JP-1108G, which means it has a large tank that can hold a significant amount of items for cleaning. This makes it ideal for cleaning large and bulky industrial parts and equipment, saving time and effort.

Another important feature of the Industrial Ultrasonic Cleaner is its temperature control. It can operate at temperatures ranging from 1 to 90 degrees, providing a wide range of options for different types of cleaning tasks. This temperature range is also ideal for cleaning delicate items that require gentle but thorough cleaning.

The Industrial Ultrasonic Cleaner is certified by various organizations, including CE, FC, PSE, ROHS, and ISO. These certifications ensure that the product meets international standards for quality and safety, giving users peace of mind and confidence in its performance.

In summary, the Industrial Ultrasonic Cleaner is an essential tool for industrial cleaning needs. With its industrial-grade materials, timer and temperature control features, large capacity, and certifications, it is a reliable and efficient solution for dust and rust removal, making it a must-have for any industrial setting.

### Features:

Product Name: Industrial Ultrasonic Cleaner

Heating power: 18000W

Drainage: Yes

Timer: 1-99 Hours

Certification: CE FC PSE ROHS ISO

Cleaning Basket: SUS 304

Heavy Duty Ultrasonic Cleaner

Advanced Ultrasonic Cleaning System

Ultrasonic Cleaning Equipment

High Power Ultrasonic Cleaner

### Technical Parameters:

Product Name	Industrial Ultrasonic Cleaner
Model	JP-1108G
Tank Size	1000*900*600mm
Heating	Yes
External Generator	3 Units
Ultrasonic Power	5400W
Temperature	1-90 Degree
Frequency	28/40KHZ Optional
Tank Material	SUS 304/316
Cleaning Basket	SUS 304
Timer	1-99 Hours
Capacity	JP-1108G

Ultrasonic Cleaning Equipment, Industrial Grade Ultrasonic Cleaner, Heavy Duty Ultrasonic Cleaner

### Applications:

Industrial Ultrasonic Cleaner - Skymen JP-1108G

The Ultimate Solution for Heavy-Duty Cleaning

Product Description

The Skymen JP-1108G Industrial Ultrasonic Cleaner is a high-power and high-performance cleaning device designed for industrial use. With its advanced technology and superior features, it is the perfect solution for all your heavy-duty cleaning needs.

Brand Name: Skymen  
Model Number: JP-1108G  
Place of Origin: China  
Certification: CE, FC, PSE, ISO, REACH, ROHS, PAHS  
Minimum Order Quantity: 1  
Price: \$5900  
Packaging Details: Wooden Box  
Delivery Time: 10-25 days  
Payment Terms: EXW  
Supply Ability: 5000pcs/month  
Key Features

High-power ultrasonic cleaner with 18000W heating power  
Large tank size of 1000\*900\*600mm, suitable for cleaning large and heavy parts  
Constructed with high-quality SUS 304/316 tank material for durability and longevity  
Equipped with heating function for efficient and thorough cleaning  
Offers two cleaning modes - water and detergent - for versatile cleaning  
Perfect for DPF ultrasonic cleaning, automotive parts cleaning, and heavy-duty cleaning  
Applications

The Skymen JP-1108G Industrial Ultrasonic Cleaner is suitable for a wide range of industrial cleaning applications, including:  
Automotive parts cleaning - effectively removes oil, grease, and dirt from engine parts, transmissions, and other automotive components  
DPF ultrasonic cleaning - provides a thorough and efficient cleaning of diesel particulate filters, improving their performance and extending their lifespan  
Heavy-duty cleaning - tackles tough and stubborn dirt, grime, and contaminants from large and heavy parts, saving time and effort  
Why Choose Skymen JP-1108G Industrial Ultrasonic Cleaner?

High-power cleaning - with 18000W heating power, it is powerful enough to remove even the most stubborn dirt and grime  
Large tank size - allows for cleaning of large and heavy parts, saving time and effort  
Efficient and versatile - offers two cleaning modes - water and detergent - to suit different cleaning needs  
Durable and long-lasting - made with high-quality SUS 304/316 tank material, ensuring durability and longevity  
Certified and compliant - meets CE, FC, PSE, ISO, REACH, ROHS, and PAHS standards, ensuring safety and quality  
Competitive price - at \$5900, it is a cost-effective solution for industrial cleaning needs  
Upgrade your industrial cleaning process with the Skymen JP-1108G Industrial Ultrasonic Cleaner. Contact us now to place your order!

## Customization:

Customized Service for Skymen Industrial Ultrasonic Cleaner - JP-1108G

Brand Name: Skymen  
Model Number: JP-1108G  
Place of Origin: China  
Certification: CE FC PSE ISO REACH ROHS PAHS  
Minimum Order Quantity: 1  
Price: \$5900  
Packaging Details: WOODEN BOX  
Delivery Time: 10-25 days  
Payment Terms: EXW  
Supply Ability: 5000pcs/month  
Capacity: JP-1108G  
Cleaning Basket: SUS 304  
Tank Size: 1000\*900\*600mm  
Drainage: Yes

Product Description

The Skymen Industrial Ultrasonic Cleaner - JP-1108G is a high power ultrasonic parts cleaning machine designed for industrial use. It is perfect for efficiently and effectively cleaning various types of parts and equipment. Made in China, this ultrasonic cleaner has been certified with CE, FC, PSE, ISO, REACH, ROHS, and PAHS, ensuring its safety and quality.

Customized Features

Customized Branding: The Skymen Industrial Ultrasonic Cleaner can be customized with your own brand name and logo.

Customized Model Number: You can choose to have a customized model number for your specific needs.

Customized Packaging: We offer customized packaging options such as wooden boxes to ensure safe transportation and delivery of your ultrasonic cleaner.

Customized Delivery Time: Depending on your location and requirements, we can arrange for a customized delivery time for your convenience.

Customized Payment Terms: We offer flexibility in payment options, with EXW being our standard term. However, we can also discuss and arrange for other payment terms based on your preference.

Customized Supply Ability: We can adjust our production capacity to meet your specific order demand.

Customized Capacity: The JP-1108G model has a tank capacity of 1000\*900\*600mm, but we can customize the size to fit your specific needs.

Customized Cleaning Basket: The cleaning basket of our ultrasonic cleaner is made of high-quality SUS 304 material, but we can also customize it based on your requirements.

Customized Drainage: We offer the option for customized drainage systems to make the cleaning process more convenient for you.

Customized Timer: The timer for our ultrasonic cleaner can be set from 1 to 99 hours, but we can also customize it based on your needs.  
Experience the benefits of a customized Skymen Industrial Ultrasonic Cleaner - JP-1108G and make your cleaning process more efficient

and effective.

## Packing and Shipping:

### Packaging and Shipping

The Industrial Ultrasonic Cleaner is carefully packaged to ensure safe delivery to our customers. Each unit is wrapped in protective materials and placed in a sturdy cardboard box. The box is then sealed with tape and labeled with the product name and shipping information.

We offer various shipping options to meet our customers' needs. We work with reliable shipping companies to ensure timely and secure delivery of our products. Customers can choose from standard or expedited shipping at the time of purchase.

For international orders, we take extra precautions to ensure that the Industrial Ultrasonic Cleaner arrives safely and without any delays. We package the unit in a wooden crate and work with trusted international shipping companies to handle customs and delivery.

## FAQ:

**Q: What is the brand name of this product?**

A: The brand name is Skymen.

**Q: What is the model number of this product?**

A: The model number is JP-1108G.

**Q: Where is this product manufactured?**

A: This product is made in China.

**Q: What certifications does this product have?**

A: This product is certified with CE, FC, PSE, ISO, REACH, ROHS, and PAHS.

**Q: What is the minimum order quantity for this product?**

A: The minimum order quantity is 1.

**Q: How much does this product cost?**

A: The price for this product is \$5900.

**Q: How is this product packaged?**

A: This product is packaged in a wooden box.

**Q: How long does it take for this product to be delivered?**

A: The delivery time is 10-25 days.

**Q: What are the payment terms for this product?**

A: The payment terms are EXW (Ex Works).

**Q: What is the supply ability for this product?**

A: The supply ability is 5000pcs/month.
