

## 1-90 Degree Temperature Industrial Ultrasonic Cleaner With SUS 304 Tank Drainage

### Our Product Introduction

for more products please visit us on [skymenultrasonic.com](http://skymenultrasonic.com)

#### Basic Information

- Place of Origin: China
- Brand Name: Skymen
- Certification: CE FC PSE ROHS ISO
- Model Number: JP-2072GH
- Minimum Order Quantity: 1
- Price: \$4000
- Packaging Details: WOODEN BOX
- Delivery Time: 10-25 days
- Payment Terms: EXW
- Supply Ability: 5000pcs/month

#### Product Specification

- Frequency: 28/40KHZ Optional
- Heating: Yes
- Ultrasonic Power: 3600W
- Heating Power: 4500\*2
- Cleaning Mode: Water & Detergent
- Function: Ultrasonic Cleaning +rinsing
- Weight: 300KG
- Highlight: Industrial Ultrasonic Cleaner With SUS 304 Tank , 90 Degree Skyman Ultrasonic Cleaner, Skyman Ultrasonic Cleaner With Drainage

## Product Description

### Product Description:

Industrial Ultrasonic Cleaner

The Industrial Ultrasonic Cleaner is a high-performance cleaning equipment designed for industrial use. It utilizes advanced ultrasonic technology to provide efficient and thorough cleaning for a variety of industrial parts and components.

**Timer:** The Industrial Ultrasonic Cleaner is equipped with a timer function, allowing users to set the cleaning time from 1 to 99 hours according to their specific needs. This feature ensures precise and consistent cleaning results every time.

**Heating:** With the heating function, the Industrial Ultrasonic Cleaner is able to heat the cleaning solution to a desired temperature, providing an optimal cleaning environment for removing tough stains and contaminants.

**Tank Size:** The tank size of the Industrial Ultrasonic Cleaner is 600\*500\*450mm, providing a spacious and deep cleaning space for larger industrial parts and components.

**External Generator:** The Industrial Ultrasonic Cleaner comes with 2 units of external generator, providing stable and powerful ultrasonic cleaning performance.

**Cleaning Mode:** The Industrial Ultrasonic Cleaner offers two cleaning modes: water and detergent. The water mode is suitable for general cleaning, while the detergent mode is more effective in removing oil pollution and stubborn contaminants.

The Industrial Ultrasonic Cleaner is designed for various industrial cleaning needs, such as removing oil pollution, dirt, and other contaminants from metal, plastic, and other industrial parts and components. With its automatic frequency chasing ultrasound cleaning technology, it ensures thorough and deep cleaning results without damaging the parts.

By utilizing immerse cleaning, the Industrial Ultrasonic Cleaner is able to reach every corner and crevice of the parts, providing a complete and precise cleaning process. It is a reliable and efficient solution for deep cleaning in industrial settings.

Overall, the Industrial Ultrasonic Cleaner is a high-quality and versatile cleaning equipment that can effectively meet the demanding cleaning needs of industrial applications. Its advanced features and powerful cleaning performance make it a valuable asset for any industrial facility.

### Features:

Product Name: Industrial Ultrasonic Cleaner

Capacity: JP-2072GH

External generator: 2 Units

Heating: Yes

Certification: CE, FC, PSE, ROHS, ISO

Drainage: Yes

Automatic frequency chasing ultrasound cleaning

Large Scale Ultrasonic Cleaner

Industrial Ultrasonic Washer

### Technical Parameters:

<b>Product Name:</b>	Industrial Ultrasonic Cleaner
<b>Certification:</b>	CE, FC, PSE, ROHS, ISO
<b>Weight:</b>	300KG
<b>Function:</b>	Ultrasonic Cleaning + Rinsing
<b>Frequency:</b>	28/40KHZ Optional
<b>Timer:</b>	1-99 Hours
<b>Tank Material:</b>	SUS 304/316
<b>External Generator:</b>	2 Units
<b>Cleaning Basket:</b>	SUS 304
<b>Ultrasonic Power:</b>	3600W
<b>Manufacturing Time:</b>	About 25 Days

Key Features: Ultrasonic Parts Cleaning Machine, Ultrasonic Parts Cleaning Machine, DPF ultrasonic cleaning machine

### Applications:

Industrial Ultrasonic Cleaner - Skymen JP-2072GH

The Skymen JP-2072GH Industrial Ultrasonic Cleaner is a high-quality product designed for heavy-duty and advanced cleaning in industrial settings. Made in China, this product is certified by CE, FC, PSE, ISO, REACH, ROHS, and PAHS, ensuring its safety and

reliability.

Automatic Frequency Chasing Ultrasound Cleaning

One of the key features of the Skymen JP-2072GH is its automatic frequency chasing ultrasound cleaning system. This technology allows for precise and efficient cleaning by automatically adjusting the ultrasonic frequency according to the type of material being cleaned. This ensures that even the most delicate or complex parts are thoroughly cleaned without any damage.

Advanced Ultrasonic Cleaning System

The Skymen JP-2072GH is equipped with an advanced ultrasonic cleaning system that produces powerful ultrasonic waves at a frequency of 28/40KHZ, which can be adjusted according to the cleaning needs. These powerful waves create millions of microscopic bubbles that effectively remove dirt, grease, oil, and other contaminants from surfaces, even in hard-to-reach areas.

Heavy Duty Ultrasonic Cleaner

With a weight of 300KG and a tank size of 600\*500\*450mm, the Skymen JP-2072GH is a heavy-duty ultrasonic cleaner capable of handling large and heavy objects. Its strong and durable construction makes it suitable for use in various industrial settings, such as manufacturing plants, workshops, and factories.

High Quality Industrial Ultrasonic Cleaner

Made with high-quality materials and advanced technology, the Skymen JP-2072GH is a reliable and efficient industrial ultrasonic cleaner. It has a high ultrasonic power of 3600W, which can be adjusted to fit different cleaning needs. This ensures a thorough and effective cleaning process, saving time and effort for industrial workers.

Product Specifications

Brand Name: Skymen

Model Number: JP-2072GH

Place of Origin: China

Certification: CE, FC, PSE, ISO, REACH, ROHS, PAHS

Minimum Order Quantity: 1

Price: \$4000

Packaging Details: Wooden Box

Delivery Time: 10-25 days

Payment Terms: EXW

Supply Ability: 5000pcs/month

Frequency: 28/40KHZ Optional

Weight: 300KG

Tank Size: 600\*500\*450mm

Ultrasonic Power: 3600W

Manufacturing Time: About 25 Days

Customization:

Customized Service for Industrial Ultrasonic Cleaner

Brand Name: Skymen

Model Number: JP-2072GH

Place of Origin: China

Certification: CE FC PSE ROHS ISO

Minimum Order Quantity: 1

Price: \$4000

Packaging Details: WOODEN BOX

Delivery Time: 10-25 days

Payment Terms: EXW

Supply Ability: 5000pcs/month

Product Description:

The Skymen JP-2072GH Industrial Grade Ultrasonic Cleaner is designed for efficient and thorough cleaning of industrial equipment and components. Its powerful ultrasonic technology ensures a deep and thorough clean through immerse cleaning, making it suitable for a wide range of industries.

Key Features:

High Power Ultrasonic Cleaner

Customized Service to meet specific cleaning needs

Large capacity: JP-2072GH

Heating function for enhanced cleaning

External generator: 2 Units for improved performance

Timer: 1-99 Hours for precise cleaning control

Experience the superior cleaning performance of Skymen JP-2072GH Industrial Ultrasonic Cleaner and enjoy the benefits of our customized service to meet your unique cleaning requirements.

Packing and Shipping:

Packaging and Shipping

The Industrial Ultrasonic Cleaner will be carefully packaged to ensure its safe delivery to your doorstep. We use high-quality packaging materials and techniques to protect the product from any potential damage during transit.

The packaging will include a sturdy outer box, bubble wrap, and foam padding to provide cushioning and shock absorption. The product will also be securely sealed to prevent any leakage or spillage during transportation.

In addition, we will also include a user manual and any necessary accessories in the package. This will ensure that you have all the information and tools needed to use the Industrial Ultrasonic Cleaner effectively.

We partner with reliable and trusted shipping companies to ensure timely and efficient delivery of your order. Our team will carefully coordinate the shipment and provide you with a tracking number so you can monitor the progress of your delivery.

Rest assured that your Industrial Ultrasonic Cleaner will arrive at your doorstep in perfect condition, ready to be put to use. Thank you for choosing our product.
