### Basic Information

- Place of Origin: China
- Brand Name: Skymen
- Certification: CE FC PSE ISO REACH ROHS PAHS
- Model Number: JP-2072GH
- Minimum Order Quantity: 1
- Price: \$4000
- Packaging Details: WOODEN BOX
- Delivery Time: 10-25 days
- Payment Terms: EXW
- Supply Ability: 5000pcs/month

### Product Specification

- Weight: 300KG
- Cleaning Basket: SUS 304
- Temperature: 1-90 Degree
- Ultrasonic Power: 3600W
- Manufacturing Time: About 25 Days
- Tank Size: 600\*500\*450mm
- Timer: 1-99 Hours
- Cleaning Mode: Water & Detergent
- Highlight: **External Generators Industrial Ultrasonic Cleaner**  
**, 3600W Industrial Ultrasonic Cleaner,**  
**SUS 304 Ultrasonic Cleaner**

**Product Description:**

## Industrial Ultrasonic Cleaner

Introducing our Industrial Ultrasonic Cleaner, designed to provide efficient and thorough cleaning for a variety of industrial needs.

**Product Overview**

Our Industrial Ultrasonic Cleaner boasts a powerful 3600W ultrasonic power, ensuring fast and effective cleaning for even the toughest of industrial dirt and grime. With a frequency of 28/40KHZ, this frequency is optional, allowing for customizable cleaning options to suit your specific needs.

With overall dimensions of 1200\*1100\*1000mm, our Ultrasonic Cleaner is compact yet spacious, providing ample room for your items to be cleaned. The large capacity of JP-2072GH allows for efficient and convenient cleaning of multiple items at once.

The main function of our Industrial Ultrasonic Cleaner is Ultrasonic Cleaning +rinsing. This powerful combination ensures a thorough and deep clean, leaving your items spotless and free from any contaminants.

**Key Features**

**Automatic Frequency Chasing** - Our Ultrasonic Cleaner features automatic frequency chasing technology, allowing for precise and efficient cleaning without the need for constant manual adjustments.

**Immerse Cleaning** - With our Industrial Grade Ultrasonic Cleaner, items are fully immersed in the cleaning solution, ensuring a complete and thorough clean on all surfaces.

**Industrial Grade** - Built with high-quality materials and advanced technology, our Ultrasonic Cleaner is designed to withstand the demands of industrial environments and provide long-lasting durability.

**Applications**

Our Industrial Ultrasonic Cleaner is suitable for a wide range of industries and applications, including:

Manufacturing

Automotive

Aerospace

Pharmaceutical

Food processing

And many more

Experience the efficiency and effectiveness of our Industrial Ultrasonic Cleaner in your industry today.

**Features:**

Product Name: Industrial Ultrasonic Cleaner

Manufacturing time: About 25 Days

Drainage: Yes

Weight: 300KG

Cleaning Basket: SUS 304

External generator: 2 Units

Oil Pollution Removing

Ultrasonic Parts Cleaning Machine

DPF ultrasonic cleaning machine

**Technical Parameters:**

Item	Technical Parameters
Function	Ultrasonic Cleaning + Rinsing
Drainage	Yes
Cleaning Mode	Water & Detergent
Manufacturing Time	About 25 Days
Tank Size	600*500*450mm
External Generator	2 Units
Certification	CE FC PSE ROHS ISO
Overall Dimension	1200*1100*1000mm
Timer	1-99 Hours
Weight	300KG
Product Name	Industrial Ultrasonic Cleaner

Product Type	Industrial Grade Ultrasonic Cleaner
Product Model	Industrial Sonic Cleaning Device

### Applications:

Industrial Ultrasonic Cleaner - Skymen JP-2072GH

The Skymen JP-2072GH Industrial Ultrasonic Cleaner is a powerful and efficient cleaning device designed for industrial use. It is perfect for cleaning car engine parts, removing dust and rust, and achieving stainless steel cleaning. This machine utilizes high frequency vibration to achieve fast and thorough cleaning, making it an essential tool for any industrial setting.

Product Attributes

**Brand Name:** Skymen  
**Model Number:** JP-2072GH  
**Place of Origin:** China  
**Certification:** CE FC PSE ISO REACH ROHS PAHS  
**Minimum Order Quantity:** 1  
**Price:** \$4000  
**Packaging Details:** WOODEN BOX  
**Delivery Time:** 10-25 days  
**Payment Terms:** EXW  
**Supply Ability:** 5000pcs/month  
**Ultrasonic Power:** 3600W  
**Capacity:** JP-2072GH  
**Heating:** Yes  
**Cleaning Mode:** Water & Detergent  
**Manufacturing Time:** About 25 Days

Application Scenarios

The Skymen JP-2072GH Industrial Ultrasonic Cleaner has a wide range of applications in various industrial settings. Some of the common scenarios where this product can be used include:

**Manufacturing Plants:** This cleaner is ideal for cleaning manufacturing equipment and parts, such as machine components, tools, and molds.  
**Automotive Industry:** The high frequency vibration of this cleaner makes it perfect for cleaning car engine parts and achieving a thorough and efficient cleaning process.  
**Metalworking Industry:** The Skymen JP-2072GH is capable of removing dust and rust from metal surfaces, making it a valuable tool for metalworking companies.  
**Food Processing Plants:** This cleaner is also suitable for cleaning equipment used in food processing, such as trays, containers, and utensils.  
**Pharmaceutical Industry:** With its efficient and thorough cleaning capabilities, this ultrasonic cleaner is also suitable for cleaning pharmaceutical equipment and containers.

Product Features

The Skymen JP-2072GH Industrial Ultrasonic Cleaner boasts the following features:

**Efficient Cleaning:** The high frequency vibration of this cleaner ensures a fast and thorough cleaning process, saving time and effort.  
**Durable:** Made with high-quality materials, this cleaner is built to withstand heavy-duty use in industrial settings.  
**Environmental Friendly:** The use of water and detergent as the cleaning mode makes this cleaner a more environmentally friendly option compared to harsh chemicals.  
**Easy to Use:** With its simple and user-friendly design, this cleaner can be operated by anyone with minimal training.  
**Versatile:** The Skymen JP-2072GH can be used for cleaning a variety of materials, such as metal, plastic, and glass.  
**Heating Function:** The heating function of this cleaner allows for the removal of stubborn dirt and stains from surfaces.  
Choose the Skymen JP-2072GH Industrial Ultrasonic Cleaner for a fast, efficient, and environmentally friendly cleaning solution for your industrial needs. With its durable and versatile design, it is sure to be a valuable addition to any industrial setting.

### Customization:

Customized Services for Industrial Ultrasonic Cleaner - JP-2072GH

Brand Name: Skymen  
Model Number: JP-2072GH  
Place of Origin: China  
Certification: CE, FC, PSE, ISO, REACH, ROHS, PAHS  
Minimum Order Quantity: 1  
Price: \$4000  
Packaging Details: Wooden Box  
Delivery Time: 10-25 days  
Payment Terms: EXW  
Supply Ability: 5000pcs/month  
Ultrasonic Power: 3600W  
Tank Size: 600\*500\*450mm  
Cleaning Basket: SUS 304  
Weight: 300KG  
Heating Power: 4500\*2  
With our customized services, Skymen's Industrial Ultrasonic Cleaner - JP-2072GH is tailored to meet your specific needs and requirements. Our advanced ultrasonic cleaning system is capable of removing oil pollution and other tough contaminants, ensuring a thorough and efficient cleaning process.

Our DPF ultrasonic cleaning feature is designed to effectively clean diesel particulate filters, providing a reliable and cost-effective solution for maintaining the performance of your equipment.

Experience the exceptional cleaning performance and durability of our Industrial Ultrasonic Cleaner - JP-2072GH, customized to fit your unique business needs. Contact us now to learn more and place your order.

## Packing and Shipping:

### Packaging and Shipping of Industrial Ultrasonic Cleaner

The Industrial Ultrasonic Cleaner is carefully packaged to ensure safe delivery to our customers. Each unit is placed in a sturdy cardboard box with ample padding and protection to prevent any damage during transportation. The box is then sealed with high-quality tape to secure the contents inside.

For international shipments, the product is packed in compliance with all necessary customs and import regulations. This includes proper labeling and documentation to expedite the shipping process and ensure a smooth delivery.

We offer a variety of shipping options to meet the needs of our customers. Standard shipping is available for domestic and international orders, with estimated delivery times based on the destination. Expedited shipping is also available for urgent orders.

Our team takes great care in preparing and handling each order. We strive to ship all orders within 1-2 business days after receipt of payment. Once shipped, customers will receive a tracking number to monitor the status of their delivery.

In the unlikely event that the product is damaged during shipping, please contact our customer service team immediately for assistance.

We are dedicated to providing excellent service and ensuring our customers receive their Industrial Ultrasonic Cleaner in perfect condition.

## FAQ:

**Q: What is the brand name of this product?**

**A:** The brand name of this product is Skymen.

**Q: What is the model number of this product?**

**A:** The model number of this product is JP-2072GH.

**Q: Where is this product made?**

**A:** This product is made in China.

**Q: What certifications does this product have?**

**A:** This product is certified by CE, FC, PSE, ISO, REACH, ROHS, and PAHS.

**Q: What is the minimum order quantity for this product?**

**A:** The minimum order quantity for this product is 1.

**Q: What is the price of this product?**

**A:** The price of this product is \$4000.

**Q: How is this product packaged?**

**A:** This product is packaged in a wooden box.

**Q: What is the delivery time for this product?**

**A:** The delivery time for this product is 10-25 days.

**Q: What are the accepted payment terms for this product?**

**A:** The accepted payment terms for this product are EXW.

**Q: What is the supply ability for this product?**

**A:** The supply ability for this product is 5000pcs/month.
