

Heavy Oil Removal Industrial Ultrasonic Cleaner 3600W With 360liter

Our Product Introduction

for more products please visit us on skymenultrasonic.com

Basic Information

- Place of Origin: China Mainland
- Brand Name: SkyMen
- Certification: CE
- Model Number: JP-720ST
- Minimum Order Quantity: 1set
- Price: Negotiation
- Packaging Details: 1 sets/ wooden case
- Delivery Time: In Stock
- Payment Terms: T/T, Western Union
- Supply Ability: 80 sets/ month

Product Specification

- Tank Material: SUS304
- Frequency: 28KHz And 40KHz
- Ultrasonic Power: 3600W
- Controller: Separate Electronic Generator Control
- Working: Continiour Working
- Others: Separate Generator Controller
- Highlight: **dual frequency ultrasonic cleaner, ultrasonic cleaning unit**

Product Description

Heavy Oil Removal Industrial Ultrasonic Cleaner 3600W With 360liter

Model: JP-720ST details:

Model	JP-720ST (Power adjustable, separate generator)
Capacity	360liter
Tank size	1000×600×600mm (LxWxH)
Unit size	1170×770×815cm (LxWxH)
Packaging size	1390x860x1050mm (wooden case)
Ultrasonic power	3600W
Heating power	9000W
Timer	1~99hours adjustable
Heater	20~80C adjustable
Frequency	40,000Hz
Power supply	AC220V, AC 380V, 50/60 Hz, 3phase
Tank material	SUS304, 2mm thickness
Shell Material	SUS304, 1mm thickness
Others	With drainage, basket, lid
N.W./ G.W.	216KG/287KG
Warranty	1 year

Features:

Tank materail is SUS304 with 2mm thickness, Human hand argon welded, Sturdy and durable resistance to high tempearture 50W industrial transducers, outstanding cleaning effects

Built-in generator

Power adjustable, choose different power according to different cleaning objects

Digital timer: 1~99mins timer adjustable. continous working for long time.

With memory function, no need to reset time and temperature every time.

20~80C adjustable, 1500W heating panel, faster cleaning

Industry use power cord, more safer.

Can bear 50~100KG cleaning objects

Accessories: Machine with stainless steel basket, drainage, lid, movable castors.

Ultrasonic cleaner applied ranges:

Machinery industry: Removing rust and grease for machinery Parts, Engine, carburetor, filter and automobile parts cleaning. Especially in the railway industry, removing oil, rust and dust for air condition and other train parts.

Surface treatment industry: Degreasing derusting before plating, Ion plating before cleaning, phosphating, remove carbon deposition, oxidation and polishing paste

Instrument industry: precision parts cleaning

Electronic industry: remove Rosin and welding spot for p.c.b. boards, machinery parts cleaning

Medical industry: medical apparatus and instruments cleaning and disinfecting

Semiconductor industry: Semiconductor chips etc.

Jewellery & Watch industry: Remove oil sludge, dust, oxidation layer, polishing paste. Etc.

Chemical biology industry: labwares' cleaning and descaling

Optics industry: Optical vessels oil, sweat and dust removal

Textile printing and dyeing industry: textile spindle, spinneret plate cleaning.

Petroleum chemical industry: Metal screen cleaning, chemical containers and switches' cleaning

After-sales Service:

For all Skymen products, we provide:

test at least 2 days before out of factory,

take photos for you confirm all the details

1 year warranty and lifetime technical supports, free parts will be sent for any quality problems during warranty time.

SKYMEN, a leading manufacturer of ultrasonic cleaner, with the goal of "To pursue top quality, to make our world clean and life health.", has been developing ultrasonic cleaning technology since 2007, sells its ultrasonic products in Europe, China , United States of America, all over the world. Thanks to its expertise in production of ultrasonic cleaner, the company's products are well received in those markets.

For more than ten years SKYMEN has been developing a wide range ultrasonic cleaner, included household ultrasonic cleaner for beauty shop, , table top ultrasonic cleaner for medical industry, science and lab, university, government military firearm gun cleaning, 3D printing, electronic circuit cleaning, dental clinics and tattoos instrument cleaning and sterilization; industrial ultrasonic cleaner for auto repair , diesel workshop, automotive industry, marin industry, restoration after fire disaster, machining industry, manufacturing industry, diamond jewelry industry coin cleaning, brass part, metal part, aluminum part cleaning.
