

Industrial Ultrasonic Cleaner with SUS304/ SUS316 Tank 800*600*550mm and 1060*860*935mm Unit Size

Our Product Introduction

for more products please visit us on skymenultrasonic.com

Basic Information

- Certification: CE, RoHS
- Minimum Order Quantity: 1
- Price: 2280

Product Specification

- Ultrasonic Power: 0-3000W
- Heating Power: 9000W
- Frequency: 28kHz / 40kHz
- Timer Range: 1-99hours
- Heater Range: 20-95 Celsius
- Material: SUS304/ SUS316
- Tank Size: 800*600*550mm
- Unit Size: 1060*860*935mm
- Caster Quantity: 4PCS Lockable
- Generator Type: External
- Tank Capacity: 264 L
- Machine Voltage: AC220-240V Single Phase
- Generator Voltage: 240V Single Phase
- Washing Basket: 1 Pc
- Drainage: Include

Product Description

Industrial Ultrasonic Cleaner Washing Equipment - 250L Capacity

Key Features

- Constructed with premium stainless steel (SUS304/SUS316)
- Adjustable power control with intuitive LED display for timer and temperature settings
- Includes stainless steel washing basket and protective lid
- Full-open lid design for easy water filling with integrated drainage valve
- Advanced ultrasonic technology effectively removes oils, residues, solvents, and other contaminants from all surfaces including crevices

Technical Specifications

Ultrasonic Frequency	28,000 Hz
Material	Stainless Steel SUS304 OR SUS316
Tank Capacity	264 L
Timer	1~99h adjustable
Heater	20°C to 95°C adjustable
Machine Voltage	AC220-240V single phase
Generator Voltage	240V single phase
Ultrasonic Power	3000W
Heating Power	9000 W
Generator	1 pcs External
Washing Basket	1 pc
Caster	4 pcs
Drainage	Included
Cover	Included

Customization Options Available

We offer specialized modifications including:

- PLC Control Systems
- Lifting Mechanisms
- Spraying Systems
- Condensation Features
- Bubbling Technology
- Agitation Systems
- Filtration Options
- Throwing Capabilities
- Drying Functions

About Skymen Cleaning Equipment

Founded in 2007, Skymen Cleaning Equipment Shenzhen Co., Ltd. established its Hong Kong branch in 2009 and operates a 5,000 square

meter factory in Shenzhen dedicated to ultrasonic cleaner research, development, and manufacturing.
Our production capacity includes:

- 30,000 units/month of household ultrasonic cleaners
- 10,000 units/month of stainless steel ultrasonic cleaners

Skymen Cleaning Equipment Factory

Why Choose Our Ultrasonic Cleaners?

- Built-in frequency scanning for superior cleaning in hard-to-reach areas
- High ultrasound power with low operational noise
- Adjustable power settings (20%-100% range)
- Integrated heating system enhances cleaning agent effectiveness
- Constructed with imported components and premium stainless steel
- Multiple vibration methods (bottom, side, multifaceted) for different applications
- Over 10 years of industry-specific ultrasonic cleaning experience
- Professional R&D team for customized solutions
- Proven reliability with low failure rates
- Trusted by major domestic manufacturers
- Competitive pricing without compromising quality
