

53L Stainless Steel 304 Industrial Ultrasonic Cleaner with Heated Control Mechanical Timer and Eco-Friendly Design

Our Product Introduction

for more products please visit us on skymenultrasonic.com

Basic Information

- Certification: CE, RoHS
- Minimum Order Quantity: 1

Product Specification

- Tank Capacity: 53L
- Frequency: 40kHz
- Ultrasonic Power: 900W
- Heating Power: 1500W
- Timer Range: 1-30min
- Heater Range: 20~80°C
- Power Supply: 110/220V
- Tank Material: Stainless Steel 304
- Tank Thickness: 2mm
- Shell Thickness: 1mm
- Weight: 80 Kg
- Inner Tank Size: 500*350*300mm
- Unit Size: 680*500*700mm
- Package Size: 850*620*880mm
- Max Load: 300KG

Product Description

53L Durable Large Capacity Heated Control Skymen Ultrasonic Cleaner JP-180ST

Product Specifications

Model	53L Durable large capacity heated control Skymen ultrasonic cleaner JP-180ST
Capacity	53 liter
Inner tank size	500*350*300mm (L*W*H)
Unit size	680*500*700mm (L*W*H)
Package size	850*620*880mm (L*W*H)
Frequency	40,000Hz
Ultrasonic max power	360W-900W adjustable
Heating power	1500W
Timer	1~99 min adjustable
Heater	20~80°C adjustable
Power supply	AC 220V, AC 380V, 50/60Hz, 3phase
Tank material	SUS304, 2mm thickness
Shell material	SUS304, 1mm thickness
Others	With drainage, castors, basket, lid
N.W. / G.W.	76KG / 80KG

Key Features

- Tank material is SUS304, 2mm thickness, human hand argon welded for sturdiness and high temperature resistance
- 50W industrial transducers for outstanding cleaning effects
- Separate generator controller for enhanced functionality
- Adjustable power settings to accommodate different cleaning objects
- Digital timer with 1~99min adjustable settings for continuous operation
- Memory function with memory chip to save time and temperature settings
- 20~80°C adjustable temperature with 1500W heating panel for faster cleaning
- Industrial-grade power cord for enhanced safety
- Capacity to bear up to 300KG of cleaning objects
- Includes: separate generator controller, stainless steel basket, drainage, lid, power cord, and movable castors

Packing & Shipping

1 set per wooden case. Shipping by sea/air is recommended.
