

99L SUS304 Tank Industrial Ultrasonic Cleaner with 4500W Heating Power and 28kHz/40kHz Frequency

Our Product Introduction

for more products please visit us on skymenultrasonic.com

Basic Information

- Certification: CE, RoHS
- Minimum Order Quantity: 2
- Price: 1200

Product Specification

- Model NO.: JP-300ST
- Tank Size: 550*450*400mm
- Ultrasonic Power: 1500W
- Capacity: 99 L
- Frequency: 28kHz/40kHz
- Material: SUS304
- Heating Power: 4500W
- Specification: 820*675*830mm
- Input Voltage: AC110V-120V/60Hz, AC220V-240V/50Hz
- Timer: 1-99 Minutes Adjustable
- Control: PLC
- Principle: Physical Cleaning
- Condition: New
- Feature: High Efficiency
- Transport Package: 1set Wooden Case

Product Description

99L SUS304 Tank Industrial Ultrasonic Cleaner

99L SUS 304 Tank industrial ultrasonic cleaner with premium stainless steel construction and advanced cleaning capabilities.

Specifications

Capacity	99L
Input voltage	AC110V-120V/60Hz AC220V-240V/50Hz
Ultrasonic power	1500W (0-40% adjustable)
Heating power	4500W
Frequency	28KHz/40KHz
Timer	1-99 minutes adjustable
Material	SUS304/sus316
Tank size	550*450*400mm

Key Features

- Stainless steel tank offers superior wear resistance and long service life
- 99-liter capacity with digital timer and heater control
- Includes stainless steel basket for convenient part handling
- Works with tap water, industrial alcohol, or solvent cleaners for various cleaning requirements
- Industrial-grade control chip microcontroller with flexible circuit boards for secure, stable operation
- Includes drainage system, basket, lid, and multi-directional castors for mobility
- High-quality Korean transducers for reliable ultrasonic performance
- Custom PCB board designed and produced by Skymen
- Premium generator technology proven in thousands of units across USA and Europe
- CNP brand circulation pump (industry-renowned quality)

Warranty

1 year comprehensive warranty. During warranty period, replacement parts will be provided free of charge for any technical issues. Technical support continues to be available after warranty expiration.
