

99 Liters Ultrasonic Cleaning Machine Jp-300st Skymen Ultrasonic Cleaner

Our Product Introduction

for more products please visit us on skymenultrasonic.com

Basic Information

- Certification: CE
- Minimum Order Quantity: 1

Product Specification

- Model NO.: JP-300ST
- Tank Size: 550*400*350mm
- Unit Size: 730*580*770mm
- Ultrasonic Power: 1200W
- Heating Power: 3000W
- Material: SUS304
- Frequency: 40kHz
- Capacity: 77 Liter
- Timer: 1~99 Mins Adjustable
- Heater: 20~80 Degree
- Power Supply: AC 110~130V, AC220~240V, 50/60Hz
- Tank Thickness: 2mm
- Shell Thickness: 1mm
- Net Weight: 64KG
- Gross Weight: 87KG

Company Service

Skymen Cleaning Equipment Shenzhen Co., Ltd. has been engaged in the ultrasonic cleaner field for more than 9 years. Our main products are ultrasonic cleaners with different capacities.

Our company is a renowned ultrasonic manufacturer with R&D, production, and sales capabilities. We provide high-quality products and comprehensive after-sales services.

In addition to standard ultrasonic cleaners, our engineers can design customized machines according to your requirements. We provide professional suggestions and technical drawings.

After-Sales Service

As the original manufacturer, Skymen provides 1-year warranty and lifetime technical support. Free replacement parts will be sent if any quality problems occur during the warranty period. Please show us the fault through pictures or video, and we will resolve the issue as soon as possible.

Factory Address

Building 5, Zone C, BuChong Industrial Park, Sha Jing, Bao'an District, Shenzhen, China
